## 2017 Event Beneficiary – Justice Rescue

Justice Rescue is one of the East Coast's only nonprofit organizations that actively patrols our communities for animal abuse. There are an estimated 40,000 professional dog fighters and 100,000 street dog fighters nationwide. Animal fighting is one of the most heinous crimes committed against animals.

*It's not about the toes we step on, it's about the paws we protect...* Thanks to you, we can keep on fighting cruelty - in all its forms. Justice Rescue is funded entirely by public donations. Your support is vital if we are to make a lasting difference in animals' lives.

Research has proven that animal cruelty and abuse is a segue into domestic violence. The proceeds from our annual kindness event will not only benefit Justice Rescue, but also Justin's Foundation For Kindness who provides assistance to rescue operations across the country to the most abused victims.

### **Please get involved with a company donation or sign up as a vendor:**
